Dear Benefactor, Donor, Supporter and Friends,

The University of Santo Tomas Nurses Association International, Inc (USTNAI) is conducting a fundraising initiative towards the Alay ng Puso (Gift from the Heart) Outreach Program to support this year's Medical Mission. Providing Medical/Surgical/Dental/Cataract surgery including providing toilets for students with disabilities is our mission's goal to be held in the Siquijor Integrated School, Barangay Polangyuta Island of Siquijor, Philippines on February 2-6, 2023.

USTNAI is a 501(c)(3) non-profit professional and civic organization. Since its inception, the organization's mission is in advancing the nursing profession through education and research with the added advocacy and service as it continues to remain relevant to the community we serve.

USTNAI is committed to making the Siquijor Medical Mission a success with your support. We therefore appeal to you and/or your company/organization/class's generosity to be part of this fundraising initiative by being a sponsor or advertiser. It is also our sincere hope that with your support we can continue to become partners now and for the long-term by offering you the opportunity to have a visible platform in showcasing your commitment as we work together in making a positive impact in our community.

Enclosed in this packet are the fundraising event sponsorship and souvenir program ad guidelines and Agreement Form. We truly appreciate and look forward to receiving your completed agreement/contract form with enclosed payment on or before Monday, January 2, 2023.

On behalf of USTNAI and Alay ng Puso Outreach Committee, our heartfelt thanks for your utmost generosity and unwavering support for our health care volunteer workers helping a community in need. We look forward to hearing from you as soon as possible and hope that you can join us in supporting this fundraising initiative.
